Morning Josh,
I will need to check with SMW but Perkins+Will would only be able to meet prior to the meeting on Thursday. Would 9:00am work?

Morning Josh,
Following up from your email last week, Julie and Perkins+Will is available Wednesday morning at 10:00am until 11:30 and then again after 2:00. Let me know if either of these windows work for you and I will send a call-in conference number.

Please find attached a revised Acoustic Recommendations memo. The batt insulation has been clarified to be 2 ½' above the ceiling on each side of partitions between offices. The corridor wall will not require any batt insulation above the ceiling.
